## *With Sincere Appreciation*

For your never-failing faith:

"Because of your strong faith I kept the track  
Whose sharp-set stones my strength had well-nigh spent.  
I could not meet your eyes if I turned back  
So on I went."

For your wise and sympathetic counsel:

"Your friendly counsel cuts off many foes."

For the devotion of much of your time to us:

"Your profession demands of those who would succeed in it  
an earnest and entire devotion."

For your patience:

"Patience is the best remedy for every trouble."

For your great influence on our lives:

"You can never tell where your influence stops."

We dedicate our 1963 HORNET to you, MRS. MARTHA MOREHEAD, to endeavor  
to express our respect and gratitude.

## *Our Alma Mater*

*H-u-d-s-o-n, Hudson High, Our Alma Mater*

*Wave our colors green and white,*

*Forever keep them high,*

*Cheer our Hornets on to victory,*

*We'll help them win,*

*And when school days are over,*

*We'll praise thee Hudson High.*

"Say cheese!" said Larry Braswell to Ann Kincaid, Carolyn Erwood, Gene Weaver, and Donald Farmer.

Hudson High School has offered to us, who would take advantage, numerous opportunities. Through organizations, we have gained a better understanding, outlook, and attitude on life.

In sports we learned the value of sportsmanship, teamwork, and the spirit of competition. We have, through honors, known the thrill of winning.

Our teachers have, among countless other things, taught us the importance of setting a goal in life and working toward that goal.

In service we learned the satisfaction that comes from serving others.

The 1963 HORNET staff takes great pride in presenting to you, the students of Hudson High School, the seven phases of school that combined to make your year a profitable one.

We have given you your Alma Mater. Each line represents an infinite part of you and your school year.

# Organizations

*Wave the colors green and white,*

# Student Council,

With the selection of new Student Council members, the activities of the school clubs began. This year ten seniors, eight juniors, six sophomores, and four freshmen served on the Council. All except freshmen were chosen at the beginning of the term. The election of officers was held in the spring with widespread participation and interest on behalf of the student body. Our principal and a faculty member served as advisors.

Officers of the Student Council assisted Mr. Lathan in giving the morning devotion. Standing, left to right: Harold Bolick (President), Janice Jones (Secretary-Treasurer), and Mike Hines (Vice-President).

Cleaning the gym after the big Homecoming dance was the task of Junior Council members. Standing, left to right: Martha Ford, Sanford Younce, Barbara Munday, Linda Welch, and Dennis Triplett. Kneeling: Joe Norman, Steve Bynum, and Richard Curtis.

# governor of our Alma Mater

Senior members expressed their opinion on issues of importance at Hudson High School by exercising their right to vote. Standing, left to right: Skippy Downs (Honorary Member), Melvin Whisnant, Lynn Hice, Mary Ann Crump, Bill Adkins,

Blanca Lozano (Honorary Member), Brenda Simmons, Tom Haas, Reba Earley, Theresa Roberts, Glenn Hull, Mrs. Kincaid (Advisor), and Johnny Teague.

Standards for the Council members were an average of 85 or above and no less than an A- on conduct.

The major project of the Student Council was the supervision of all other organizations. In addition, it was their duty to help keep the smoking areas clean, wash the windows of the school, sponsor a Homecoming dance, and put up an Honor Board to honor members of our school who have received recognition for their various achievements.

Sophomore Student Council members tried their hand at the fine art of window washing. Left to right: Betsy Shoun, Peggy Annas, Cheryl Boguslawski, Max Pope, and Janet Mason. Not pictured: James Roper.

# Public Speaking Club

Debates, panel discussions, and extemporaneous speeches were only a few of the programs we, as members of the Public Speaking Club, took part in.

Members for our club were chosen from those students showing a definite interest in public speaking and were willing to enter one of the oratorical contests during this year, which was one of the club's requirements.

We sponsored our first local speaking contest last spring and decided to make it an annual event.

Of course, membership in the Public Speaking Club didn't cure us of "stage fright" but it did help us speak more effectively before a group.

Fulfilling one of their membership requirements for the Public Speaking Club—to enter a speech contest—was easy for the club officers. Left to right: Mr. Jerry Austin (Sponsor), Kathleen Beane (President), Paula Sanford (Vice-President), and Richard Curtis (Secretary-Treasurer).

Debating was one of the many programs the Public Speaking Club members participated in. Left to right: Donald Watson, Ervin Duncan, L. C. Coonse, Mary Frances Moore, Reba Early, Barbara Munday, Linda Welch, Gerald Hester, Evon Harris,

Sandra Cloer, Mrs. Ruby Tester (Sponsor), Tommy Macchia, Carolyn Miller, Becky Haas, Gary Whisnant, James Fox, Eddie Smith, Marie Church, Barbara Bungarner, Sharon Prestwood, and Marlene Hines.

Club members often admired and enjoyed the works of the masters. Standing, left to right: Virginia Rowe, Blanca Lozano, Johnny Teague, Judy Whisnant, Candace Baker, Daniel Kirby, Annie Angley, Richard Curtis, Carol Hamm, Barbara Mayberry, Roger Mikeal, Ruby Townsend, Stephanie Watts, Brenda Beane, Maggie Ford, Glenn Hull, and Mary Frances Moore. Seated:

Libby Parsons, Brenda Simmons, Mary Ann Crump, Shirley Ann Miller, Dollie Milligan, Brenda Teague, Geraldine Trivette, Nancy Welch, Kay Bush, Harolyn Duncan, Carolyn Helton, and Kathleen Beane. Not pictured: Carolyn Annas, Vivian Curtis.

# Pen and Brush Club

In 1960 the Pen and Brush Club was formed at Hudson High School to promote interest, appreciation, and participation in art.

To join the Pen and Brush Club we had to exhibit one or more original works in the show sponsored annually by the club. Once accepted, we had to maintain a passing average in all subjects and participate in the club's activities.

Our projects for the year were to continue the subscription to the American Artist magazine for the library, to have an Artist-of-the-Week and place this person's work on display, to sponsor a dance; and to have the annual art exhibit of the works of all students wishing to become a member of our club.

Officers of the Pen and Brush Club prepared for a program on Picasso just before the meeting began. Left to right: Barbara Holman (Treasurer), Terry Fox (President), Mrs. Martha Morehead (Sponsor), Janice Jones (Historian), Barbara Munday (Vice-President), and Sandra Holman (Secretary).

# Senior girls took turns as hostess

Our Senior Girls Organization was one of the few school clubs which held its meetings after school hours. In each of the three chapters of the club, the membership was limited to twenty-five girls, made up of rising seniors.

Since the purpose of our club was self and school improvement, qualified persons were invited to appear in the programs and discuss various phases of this improvement. Our meetings were held in the homes of the members.

Our projects were helping a needy family at Thanksgiving, giving donations to a family of five orphans, keeping attractive and informative bulletin boards, making timely table favors, helping to sponsor a school dance, and assisting in buying a paper cutter for the school.

Table favors for the cafeteria were planned by the officers of all three chapters of the S.G.O. Seated, left to right: Reba Early (Secretary-Treasurer of Chapter III), Evon Harris (Vice-President of Chapter I), Mary Anne Crump (Secretary of Chapter I), Mrs. Kincaid (Sponsor of Chapter I). Standing: Ruby Townsend (Vice-President of Chapter II), Elizabeth Carver (Secretary of Chapter II), Anne Curtis (Treasurer of Chapter II), Brenda Dula (Treasurer of Chapter I), Dot Fox (Vice-President of Chapter III), Glenda Hull (President of Chapter I). Not pictured: Pat Downs (President of Chapter II), Anne Walsh (President of Chapter III).

Members of Chapter II wrapped Christmas presents for orphans. Left to right: Linda Carpenter, Shirley Younce, Dianne Annas, Kathleen Beane, Blanca Lozano, Janice Jones, Rachel Ingle, Virginia Rowe, Anne Kincaid, Miss Conley (Sponsor), Barbara Holman, Maggie Ford, Mary Jo Link, Pat Downs, Jo Ann Saunders, Brenda Carpenter, and Judy Whisnant. Not pictured: Gail Carlton, Reba Townsend, and Verla Whisnant.

# to the Senior Girls' Organization.

S.G.O. Chapter III members held a call meeting in the Library. Seated: Ann Walsh, Reba Early, Linda Helton, Sherry Bush, Carol Knight, Betty Hollar, Scottie Bryant. Standing: Sheila Phillips, Wanda Johnson, Mary Jo Craig, Linda Bolick,

Annie Angley, Phyllis Alexander, Dot Fox, Mrs. Tester (Sponsor), Carolyn Smith, Barbara Barnette, Audrey Foster, and Sandra Holman.

Working together to make an attractive bulletin board for the gym foyer were members of Chapter I. Left to right: Rebecca Taylor, Irene Cozart, Nancy Spears, Jean Gragg. Back row: Janie Moore, Bobbie Jean Hicks, Theresa Roberts, Ann Taylor, Betty Harmon, Rebecca McGee, and Evelyn Braswell. Not pictured: Linda Harris and Peggy Clark.

Near the end of last year, rising sophomores, juniors, and seniors interested in pursuing a teaching career applied for membership in the Future Teachers of America Club. After writing a short essay stating their reasons for choosing teaching as a vocation, they were then voted on by the club's present members.

When accepted, they learned about the many phases of their profession by observing and teaching at the elementary school and by hearing and presenting programs related to teaching.

Officers of the F.T.A. prepared for the trip to the convention at Chapel Hill by putting banners on the cars. Left to right: Verla Whisnant (President), Theresa Roberts (Secretary), Kathleen Beane (Vice-President), Reba Earley (Treasurer), and Frances Hayes (Historian).

Left to right: F.T.A. members, Rachel Ingle, Dot Fox, Mr. Theron Farlow (Sponsor), Skip Downs, Pat Downs, Mary Frances Moore, Zettie Anne Lanier, Geneva Blalock, Paula Sanford, Mary Evelyn Andrews, and Jane Huss, caroled at the homes of the faculty.

# Chapter of the Future Teachers of America.

The projects of the F.T.A. were sponsoring a dance, honoring the teachers in various ways during American Education Week, sending members of the club as representatives to the state F. T. A. Convention which was held at the University of North Carolina in Chapel Hill in November, and helping to organize a new F.T.A. Club at Collettsville High School.

Some of our Future Teachers met to determine the most effective way of starting a club at Collettsville High School. Left to right: Julia Greene, Lib Carver, Ann Price, Annie Angley, Harold Bolick, Gerald Hester, Mrs. Martha Morehead (Sponsor), Carolyn Annas, Anne Taylor, Carolyn Marshall, Cheryl Boguslawski, Wanda Whisnant.

Club members helped to clean up the food lab after the annual tea for the teachers. Left to right: on chairs, Terry Fox, Ann Hatley, Johnny Teague, Linda Beach, Becky Bush. Standing: Mike Hines, Sandra Holman, Mary Evelyn Andrews, Barbara Barnette, and Blanca Lozano. Kneeling: Robert Angley, Linda Morrison.

# Cheerleaders asked, "Have you got that spirit?"

Always there to boost the school spirit were the cheerleaders. Left to right: Judy Short, Linda Bryant, Kathleen Beane,

Linda Helton, Mary Jo Link, Hope Sherrill, Evon Harris, and Sheila Greene.

In May, 1962, we girls were elected cheerleaders by the entire student body for the coming school year, 1962-63.

Besides adding color, excitement, and spirit at the games, our activities included decorating goal posts in traditional school colors, welcoming opposing teams to our school, and giving out lapel ribbons on Friday morning. We also backed the team with our enthusiasm, and encouraged school spirit at pep rallies as well as at the ball games.

Eligibility for cheerleading not only included being prompt and present at ball games, but maintaining an 80 average on all subjects and an A on conduct.

Whether listening to our "Alma Mater," yelling for victory, or acting as good-will ambassadors for our school, many sad and wonderful moments were a part of cheering for our team.

# Monogram Club

Promoting and maintaining good sportsmanship and encouraging better school spirit were the objectives of our Monogram Club.

Invitations to join the club were extended to those of us who met any of the following requirements: thirty-two quarters in basketball, sixteen quarters in football, sixteen innings in baseball, two years on the cheerleading squad, or two years managing a sport.

One of our projects for the year was to purchase letter jackets for each member of the club.

Excited officers of the Monogram Club unpacked their attractive new jackets. Left to right: Mike Correll (Treasurer), Mr. Pennell (Sponsor), Jerry Mathewson (President), Joel Carroll (Vice-President), and Shirley Bolick (Secretary).

Mr. Farlow and Elizabeth Carver appreciated the support the football boys gave the basketball players. Left to right: Elizabeth Carver, Wayne Jenkins, Mr. Farlow (Sponsor), Danny McCreary, Lynn Hice, Jerry Kirby, Walter Estes, Bill Smith, L. C. Coonse, Steve Kaylor, T. S. Childers, and Doug Craig.

Monogram Club members were anxious for a good seat on the school activity bus. Left to right: Ruby Townsend, Linda Helton, Skip Downs, Janet Mason, Jennifer Alley, Hope Sherrill, Mary Jo Link, Judy Short, Bobby Keller, Evon Harris, Jackie Collins, Sheila Greene, Tom Haas, Linda Beach, Linda Bryant, and Kathleen Beane.

# Nosotros estudiamos

Spanish Club members helped to keep the smoking areas clean as one of their projects. Left to right: Larry Shook, Jim Shaver, Mike Correll, Lynn Hice, Dennis Bradford, Geneva Blalock, Mr. Cecil Clark (Sponsor), Linda Bryant, and Patricia Barber.

Being such a large club, we were able to take active part in improving the appearance of the school grounds. We also presented Spanish books to the library in memory of Dorothy Gragg and sponsored a sock-hop.

Requirements for membership included an 85 scholastic average, at least an A minus on conduct, and two years of Spanish.

School pennants were distributed to club members to be sold. Left to right: Frances Hayes, Pat Downs, Jim Avett, Lynn Witherspoon, Audrey Foster, Rachel Ingle, Rebecca McGee, Kathleen Beane, Teresa Braswell, Dolly Milligan, Audrey Farr, Imogene Laws, Libby Parsons, Brenda Shipley, Shirley Ann Miller, Candace Baker, Margaret McCall, Beth Phillips, and Marlene Hartley.

# Espanol durante dos anos.

This year we members of "El Circulo Espanol" were honored to have our foreign exchange student, Blanca Lozano, as a fellow member. She helped to make our knowledge of the Spanish-speaking countries come to life.

Dr. Manuel Rabina and the Spanish Club officers listened attentively as Blanca Lozano, our exchange student from Bogota, Colombia, told of the culture of her native land. Left to right: Rex Watts (Vice-President), Gene Weaver (President), Mary Ann Crump (Secretary), Dr. Rabina, Janet Mason (Treasurer), and Blanca.

The pinata held hidden treasures for Skip Downs, Kenneth Craig, Joel Carroll, Bradley Herman, Maggie Ford, Sherrill German, Nancy Spears, Evelyn Braswell, Rebecca Beane, Juanita Laws, Mavis Hodge, Barbara Johnson, Janice Jones, Kay Bush, Cheryl Boguslawski, Diane Carter, Patsy Armes, Candy Woods, Jennifer Alley, Betty Frady, Linda Morrison, Eula Baldwin, Billie Parsons, Ruby Haas, Paula Angley, and Sandra Holman.

# "We Build," the Key Club's motto,

Key Club members learned all angles of salesmanship for their magazine sale. Left to right: Steve Sherrill, Mike Hines, Mike Correll, Dennis Bradford, Eddie Agner, James Roper, Robert Angley, Allen Bolick, Sandy Younce, David McCall, and Doug Craig.

As "little brother" to the Kiwanis and Circle K, the Key Club helped to build a stronger America by building character, leadership, and initiative in its youth.

Each spring names of prospective members were turned in to the club by the faculty. These were selected on the basis of personality, scholastic achievement, and other abilities. The boys were then voted on by present club members. Those receiving the highest number of votes were accepted as members. When accepted, a boy must maintain an 85 overall average and an A on conduct.

Officers of the Key Club assisted the Hudson Fire Department in their Christmas toy drive as one of their community service projects. Left to right: Skip Downs (District Governor), Bill Adkins (Treasurer), Walter Estes (Sergeant-at-Arms), Tom Haas (President), Larry Smith (First Vice-President), Max Pope (Second Vice-President), and Terry Fox (Secretary).

*Almost missed me in the crowd*

As our service projects for the school this year, we chose to mount the pictures of the senior class of 1962 to be presented to the school, to place the letters "H.H.S." on the front of the gym, to buy the Homecoming Queen's crown, to help have the school activity bus painted, and to curb disturbances during the lunch periods by the use of hall patrols.

For our community projects, we provided food for needy families at Thanksgiving, gave toys to children at Christmas, and donated money to worthy charities.

As money-raising projects, we had a magazine sale, sold school car tags, sponsored a ham dinner, had a dance, and sold movie tickets.

Key Clubbers, left to right: Roger Mikeal, Steve Smith, Richard Curtis, Rex Watts, Jimmy Rader, Joel Carroll, Jim Shaver, Mr. Ted Watson (Sponsor), Gerald Griffin, Gerald Hester, Dennis Triplett, Charles Fox and Jim Avett.

# Beta Club members strived to do their best in scholastic advancement.

New club members looked on, hoping that they, too, would wear the golden tassel of the Beta Club. Left to right: Mr. Jerry Austin (Sponsor), Daniel Miller, Dennis Triplett, Miss Martha Sherrill (Sponsor), Ann Hatley, Frances Hayes, Sandra Cloer, Carolyn Marshall, Julia Greene, Mary Evelyn Andrews, Melodie Kirschner, Jane Huss, Ann Price, Geneva Blalock, Linda Morrison, and Brenda Smith.

Beta officers at their usual business...the pursuit of knowledge. Left to right: Tom Haas (Vice-President), Mike Hines (President), Rachel Ingle (Treasurer), and Sandra Holman (Secretary).

To become a member in the Beta Club, one must have an average of 90, no less than A minus on conduct, and a worthy character. Our names were submitted to the club by the faculty at the end of our sophomore year. We were voted on and then inducted as members.

As our projects this year, we chose the following: Dorothy Gragg Scholarship Fund, a car wash, and sponsorship of the Junior Beta Club at the Hudson Elementary School.

This year we elected Miss Martha Sherrill as a new advisor to our club. She and Mr. Jerry Austin served unselfishly as our mentors throughout the year.

Beta Club members gave of their time for the annual car wash to provide money for the year's club activities. Left to right: Melvin Whisnant, Rebecca Beane, Shirley Ann Miller, Don Beane, Candace Baker, and Larry Shook.

# Our newest club was the Future Business Leaders of America.

Officers of the F. B. L. A. gained valuable experience by doing work in the office. Left to right: Mary Ann Crump (Treasurer), Rebecca Taylor (Secretary), Miss Mabel Conley (Sponsor), Mrs. Toye Allen (Sponsor), Janice Jones (Vice-President), and Glenn Hull (President).

First of its kind to be organized at H.H.S. this year was the Future Business Leaders of America, composed of those students who had had or were enrolled in at least three commercial courses. These included Shorthand I and II, Typing I and II, and bookkeeping.

Projects for the new club were to purchase a seal for our school and to send questionnaires to graduates of recent years, attempting a survey of the Hudson High School curriculum to see if our school is really meeting the needs of our graduates.

Mr. John Clawson, an F.B.L.A. sponsor, displayed one of the many "first drafts" of the school seal turned in by the school's artists to the members. First row, left to right: Mary Frances Moore, Sherry Bush, Anne Kincaid, Shelia Phillips, Tressie Hall, Blanca Lozano, Bobbie Hicks, Virginia Wilcox, Ginger Warlick, Pat Winkler, and Linda Ingle. Second row:

Barbara Holman, Rebecca McGee, Linda Morrison, Linda Watson, Betty Hollar, Rachel Ingle, Diane Annas, and Janie Moore. Third row: Shirley Miller, Jo Anne Saunders, Dave Annas, Robert Smith, Betty Frady, Evelyn Keller, Judy Gibson, and Brenda Sigmon.

# Band

Besides directing the band, Mr. Maxie Beaver (junior band director) and Mr. Robert Love (senior band director) give much of their time to the improvement of the musical standards of the band.

For the first time in its history the Hudson High School Band received a superior rating last spring at the state band contest in Greensboro, North Carolina. With our honored position came invitations to appear in many parades. Besides the local parades, we marched in the Shrine Bowl Parade in Charlotte and represented Caldwell County at the Dixie-Classics Fair in Winston-Salem. By performing at each football game, we added pep and enthusiasm to all.

We endeavored to remain a superior band by beginning diligent practice early in August. During summer band, we elected Tommy Macchia, President; Paul Robbins, Vice-President; Theresa Roberts, Secretary-Treasurer; Frances Hayes, Librarian; and Mike Hines, Reporter. These officers maintained discipline and aided us in making decisions.

Band members helped build school spirit by playing the Alma Mater at the pep rallies.

Majorettes got in some extra practice in the band building just before half time. Left to right: Wanda Johnson, Theresa Roberts, Betsy Shoun (alternate), Beth Phillips (alternate), Jane Huss, and Gail Carlton.

Not pictured: Joyce Whisnant.

Strains of "I'll Fly Away" rang from the old activity bus as choristers traveled to and from various singing engagements and practice sessions.

Approximately 115 students composed the two choruses under the direction of Mr. Maxie Beaver.

This year the choruses participated in many activities. Besides the state contest at Hickory, sending 20 members to the State Choral Festival in Greensboro, singing for Parent-Teachers Association meetings, civic groups, and schools, choristers also encouraged school spirit at pep rallies with the "fight song" and our "Alma Mater."

This view of Mr. Beaver became a familiar sight to new students after a few days in chorus.

for better music in our student body.

"Singing sure makes me thirsty," could have well been the thoughts of Dale Phillips, Mickey Story, and Dwight Hopkins, chorus members, as they paused for a Pepsi.

First row, left to right: Jean Gragg, Irene Cozart, Geraldine Clark, Meretta Bowman, Margie Chester, Geneva Blalock, Judy Whisnant, Linda Harris, Diana Pope, Linda Bolick, Pauline Harmon, Mildred Sullivan, Shelia Byrd, Janet Smith, Louise Helton, Shelia Phillips, and Carol Knight. Second row: Diane Auten, Kathleen Beane, Marlene Hines, Peggy Clark, Linda

Third row: Robert Carter, Daniel Kirby, Gary Craig, Wayne Jenkins, Claude Winkler, Warren Smith, Ralph Tolbert, Dwight Hopkins, Eric Rainey, Tommy Macchia, Robert Phillips, and Ray Yarborough.

# Future Homemakers of America

A new wig for Susie the mannequin in the Home Economics Department, cannister sets and a mix master for the foods laboratory, were purchased by our Future Homemakers of America Club as projects for an active year.

Membership of our F. H. A. consisted of second year home economics students who accepted the challenge of the club motto, "Toward New Horizons." Our members became more aware of the importance of the home, the promotion of international good will, and the value of wholesome recreation, as we shared valuable and treasured experiences.

Food for a needy family at Thanksgiving was collected by members of our club. Left to right: Linda Bumgarner, Betty Hollar, Mary Frances Moore, Virginia Rowe, Carol Hamm, Nancy Spears, Jo Ann Saunders, Margie Chester, Linda Helton, Carolyn Smith, Verla Whisnant, Linda Bolick, Maggie Ford, Meretta Bowman, Patsy Saunders, Glenda Hull, Sherry Bush, and Evon Harris. Not pictured: Sheila Phillips, Linda Ingle, Ann Walsh, Audrey Foster, Shirley Webb, and Elaine Pritchard.

To keep the good-grooming area clean was a daily routine for F.H.A. members. Left to right: Kathleen Beane, Blanca Lozano, Pat Hendrix, Linda Harris, Ruby Townsend, Tressie Hall, Judy Van Dyke, Reba Townsend, Linda Bolick, Betty Harmon, Pauline Harmon, and Brenda Poole.

The officers of the F.H.A. worked together on the rainbow. Standing, left to right: Anne Kincaid (Song Leader), Reba Early (Vice-President), Mrs. White (Sponsor), Rebecca Taylor (President), Judy Whisnant (Parliamentarian), Wanda Johnson (Treasurer), and Bobbie Jean Hicks (Secretary).

# Future Farmers of America

Membership in the Future Farmers of America prepared boys for life in a rural community by teaching us the most modern agricultural methods and enabling us to become more self-sufficient.

This year, even more than ever before, the F.F.A. boys showed their interest by helping to beautify our campus. The planting of grass between the new and the old wings greatly improved the looks of our school. The F.F.A. also sponsored a wildlife conservation program. As in years past, we gave a "Father-Son Banquet" to show our sincere appreciation of our fathers.

First row, left to right: Mike Harris, Robert Price, Mickey Story, Ray Parsons, Jerry Setzer, Gene Howell, and Daniel Miller. Second row: Gerald Drum, Robert Smith, Jimmy Wilson, Clay Ledford, Daniel Kirby, Lewis Icard, Gary Craig, and Wayne Jenkins. Third row: Danny McCreary, L. C. Coonse, Don Martin, Jerry Kirby, Richard Myers, Dewey Chester, and Johnny Ford.

F.F.A. officers examined several bookcases and gun racks made by their friends in the woodworking shop. Left to right: Joe Barringer (Sentinel), Paul Drum (Secretary), Joe Roberts (President), Tim Bean (Vice-President), Phillip Hartley (Treasurer), Jim Barringer (Reporter), and Mr. Carl Wagner (Sponsor).

After a long period of work, the "Ag" boys rush to store their equipment before the bell. # The Hornet Staff served as historians

To express our desire to be a member of the HORNET Staff, we submitted an application stating our English average, typing experience, an idea for the yearbook theme, and a short paragraph explaining our reasons for wanting to be a staff member.

Upon learning about the work involved in recording the year's activities, each of us replied, "I can't," "I can't." "Work, work, work." We learned that after making pictures, our job was hardly half-way completed. We still had the problem of making the pictures co-ordinate with our lay-out sheets and the difficult task of writing our copy. All too soon our deadline arrived and we faced the final rush before mailing.

Somehow, the "I can't's" became the "maybe's" and finally, the "I did's"; the impossible was converted to the possible and all our work was completed. After many, many hours of diligent labor, we relaxed and admired the record of our memorable year.

Learning the details of layout was the first important task for the editors of the annual. Left to right: Barbara Munday (Assistant Editor), Barbara Holman (Typist), Mrs. Toye Allen (Sponsor), and Verla Whisnant (Editor-in-Chief).

Left to right: Brenda Smith, Anne Taylor, Charles Fox, Rachel Ingle, Paula Sanford, and Douglas Craig worked together to solve the problems of their sports and administration layouts.

Those on the business staff took care of the financial part of the annual. Standing, left to right: Reba Earley, Theresa Roberts, and Janice Jones (Business Manager). Seated: Johnny Teague and Ann Hatley.

# Library Club

Of interest to the entire student body was the school scrapbook, which was kept by the Library Club as one of its projects. Two other worthwhile projects were the Dorothy Gragg Memorial Fund which was used to purchase library books, and keeping a bulletin board up in the hall near the library.

We students who had had courses in library science and were qualified to care for library materials, made up the membership of the Library Club. Each of us made it our responsibility to promote interest in the library.

# Honors

*Forever keep them high,*

## Best All Around Seniors.

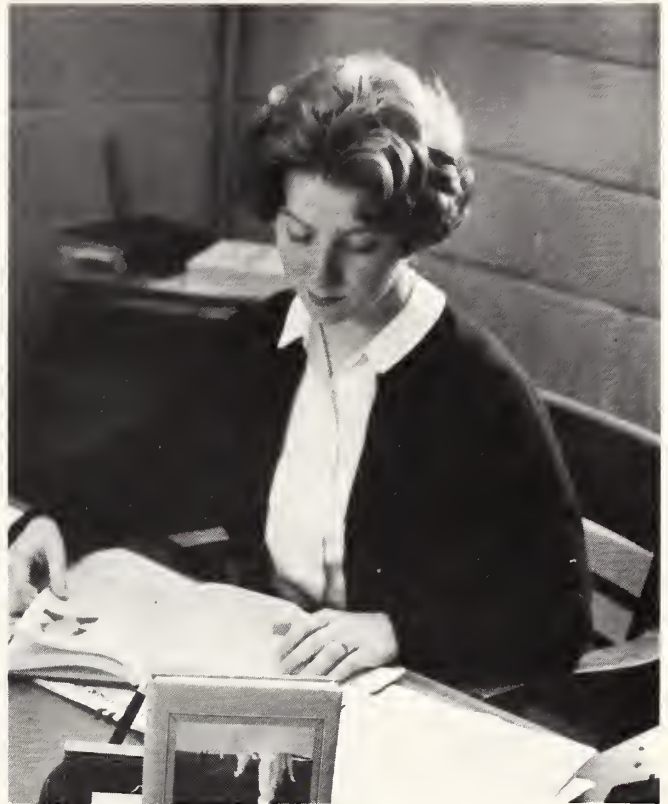

From the many versatile seniors, Reba Earley and Mike Hines were chosen by the senior class as the best-all-around. Since entering Hudson High, they have been a great credit to our school. Both have participated in many school organizations, and in the school government. The honor of best-all-around is the only senior superlative withheld until the publication of our annual.

# Leadership

Selected by the faculty of Hudson High School because of his leadership abilities, Dennis Triplett was chosen to attend the Red Cross Leadership Training Center at Black Mountain, August 19-24. During the time he was there, he learned about the work of the Red Cross, was taught first aid, and participated in special leadership workshops.

The American Field Service informed Janice Jones in May that she had been selected to be the foreign exchange student for the summer of 1962. However, on the last day of school Janice received word that she would not be able to participate in the summer program because of a shortage of foreign homes.

Because of their school records and personal recommendation, Mike Hines and Carolyn Marshall each received scholarships for summer studies in science. Mike lived on the U.N.C., Chapel Hill, campus for six weeks studying chemistry, number theory, and analysis. Carolyn studied biology and chemistry for five weeks at A.S.T.C. in Boone. Mike and Carolyn were both sponsored by the National Science Foundation.

## These brought honor to H.H.S.

These four students brought special honor and recognition to Hudson this year for their outstanding achievement in local and state competitions. Hudson had sufficient reason to be proud of them for their honors in speaking, leadership, and writing ability.

Second place winner of the District in the Optimist Oratorical Contest was Gerald Hester who was presented a trophy and \$75. Linda Morrison entered the Rural Electrification Association's essay contest. Her topic was "My Electric Cooperative—A Turning Point in Community Progress." She was awarded a \$500 scholarship to the college of her choice.

Our representative to Girls' State this year was Verla Whisnant who spent a week at W.C.U.N.C. While there, she learned more about the functions of government, participated in many campaigns and elections and visited Raleigh. Verla was sponsored by the Hudson American Legion Auxiliary.

At the Key Club Convention on March 15, 1962, Skippy Downs was elected governor of the North Carolina and South Carolina District. Skippy's major duty was to see that each club lived up to the standards of the club's which were set up at the convention.

# Junior Marshals

Each year prior to Commencement exercises, marshals are chosen from the junior class. Those chosen had the highest scholastic average in the class and served as marshals at the Baccalaureate Service held in the school gymnasium on May 27, and at the graduation exercises held in the gym on May 29, 1962.

Robert Angley, Pat Downs, Melvin Whisnant, and Verla Whisnant checked the programs before the "big event."

Tom Haas, Anne Taylor, Mike Hines, and Rachel Ingle met to rehearse for the commencement exercises.

Homecoming Queen

MISS WANDA JEAN JOHNSON

# Homecoming

All the classes, except the senior class, chose and made known their representative for the homecoming festivities to be held on October 5, 1962. Following the class elections, the student body voted for the senior girl whom they believed would be the best candidate for Homecoming Queen. The girl who received the highest number of votes became queen; the one receiving the second highest became maid-of-honor; and the one with the third highest became the senior representative. No one knew, except the homecoming sponsors, until half-time which girl would be wearing the crown. The girls with the highest number of votes were Kathleen Beane, Senior Class Representative, escorted by Tom Haas; Linda Helton, Maid-of-Honor, escorted by Steve Austin; and Wanda Johnson, Queen, escorted by Johnny Teague.

## Maid-of-Honor

MISS LINDA GAIL HELTON

## Senior Class Representative

MISS MARY KATHLEEN BEANE

# Homecoming

Each year the senior boys who played their final homecoming game for the Hornets sponsored a girl who was honored in the homecoming events. There were fourteen girls sponsored this year. The girls and their escorts were introduced to the audience before the game by Gerald Hester who acted as Master of Ceremonies. After being introduced, the escorts lead the girls to reserved seats on the sidelines.

These girls represented their classes in homecoming events this year: Miss Freshman Class, Nell Alderman, escorted by Steve Shumaker; Miss Sophomore Class, Betsy Shoun, escorted by Dennis Bradford; Miss Junior Class, Sheila Greene, escorted by Doug Craig; and Honorary Attendant, Blanca Lozano, escorted by Gene Weaver.

These girls were the team's favorites. Seated, left to right: Mary Jo Craig, sponsored by Jimmy Witherspoon; Brenda Cannon, (Steve Snyder); Candy Woods, (Bill Smith); Dot Fox, (Thomas Miller); Carolyn Helton, (Danny McCreary); Mary Frances Moore, (L. C. Coonse). Standing: Elaine Barringer, (Bill Butler); Glenda Hull, (Glenn Hull); Mary Jo Link, (Lynn Hice); Becky Kincaid, (Jerry Matthewson); Barbara Barnette, (Charles "Skippy" Downs); Brenda Simmons, (Jerry Kirby).

# Miss-Hi-Misses

This year for the first time we elected two girls to share the honor of representing Hudson High School at Winthrop College as Miss-Hi-Misses. Reba Early was chosen by the Senior Class. Linda Welch was chosen by the Junior Class.

Both Reba and Linda plan to become nurses. Berea

is Reba's college choice while Linda prefers the University of North Carolina.

In the future, the Miss-Hi-Miss will be chosen from the junior class only. The election was based on scholastic ability, as well as personality and looks.

# Scholarship Letter Winners

Senior letter winners were, left to right: Robert Angley, Anne Taylor, Melvin Whisnant, Sandra Holman, Tom Haas, Rachel Ingle, and Mike Hines.

Scholarship letters were awarded to those who had a yearly average of 90 or above on four subjects, 85 or above on a fifth subject, and no lower than an A minus on citizenship. However, if a student was taking only four subjects, he must have had a 90 average on all four. Students awaited their letters eagerly during assembly at the close of the year.

Sophomore letter winners. First row, left to right: Marvin Poarch, Christine Bolick, Lynn Whisnant, Brenda Beane, Jackie Collins, Jennifer Alley, Betsy Shoun, Carolyn Annas, Kay Bush, and Audrey Farr. Second row: Joyce German, Levinthia Greer, Donna Jett, Gail Barber, Donald Farmer, Kay Brawley, Brenda Shipley, Gerald Griffin, David McCall. Third row: Jim Shaver, Patsy Holden, Margaret McCall, Max Pope, Pat Pitts, Steve Sherril. Fourth row: Steve Smith, Mary Frizzell, Gary Eller, James Roper.

Scholarship letters were awarded to the following juniors, left to right: Linda Morrison, Candace Baker, Frances Hayes, Ann Price, Jane Huss, Dennis Triplett, Roger Mikeal, Don Beane, Rebecca Beane, Brenda Smith, Mary Evelyn Andrews, Larry Shook, and Julia Greene.

Our Scholarship Letter Committee faculty members this year were Mr. Theron Farlow and Miss Mabel Conley. They were always ready to answer any questions about the scholarship letters or college scholarships which the students might have.

# Our Foreign Exchange Student.

This year Hudson High School welcomed for the first time, a South American Exchange Student. Blanca Lozano arrived in Hudson on September 2, 1962, from her home in Bogota, Colombia.

In Bogota, Blanca worked in the National Bank after graduation from high school. Here she took secretarial courses which would help her when she returned to her home.

A very versatile girl, Blanca enjoys knitting, horseback riding, skating, and swimming.

Blanca said, "I am very happy to be a part of your American life at Hudson."

Blanca's Colombian family: Hector, Clara, Marria, Blanca, Paul. Second row: Mrs. Lozano, Elisa, Mr. Lozano, Angela.

The Jones family: Janice, Blanca, Mr. and Mrs. Boyce Jones, Nelson, Marcus, Audrey, and Robert welcomed Blanca into their American home.

Coaches Pennell and Watson looked on as Hornets were stopped behind the line of scrimmage.

#### LINCOLNTON STOPPED HORNETS IN SEASON OPENER

In the first game of the 1962 season, a strong Lincolnton team defeated the Hornets with a score of 25 to 6.

Our Hornets fumbled twice within the ten yard line giving the Wolves the ball close to the Hornet goal line.

Halfback Bill Norris went over for three of Lincolnton's touchdowns. Another Wolf score came when a Lincolnton lineman blocked a Hornet punt.

The Hornets' only score came near the end of the game when quarterback Mike Correll threw a pass to wingback Skippy Downs on a play that covered thirty-three yards. Downs also excelled in defense while halfback Lynn Hice led the Hornets' running attack.

in first game of season.

#### TIME HALTED HORNETS

Time proved to be the winner when the Hornets traveled to Wilkes Central for their second contest as they were defeated 6 to 0. Both teams were excellent defensively and the only score came late in the third quarter. The Wilkes Central Eagles surprised the Hornets when their halfback, Bill Swofford, ran for fifty-five yards. Late in the game, Mike Correll passed to Walt Estes three times to get the ball on the Eagles' twelve yard line. From there, Bill Smith ran around the left end to the one foot line. Since the Hornets had used all their timeouts, they were unable to stop the clock before time ran out with the ball on the Wilkes' one foot line.

#### HICKORY ROLLED OVER HORNETS

In our third game, the Hornets played host to the Red Tornadoes of Hickory. The Hornets surprisingly stayed with the Tornadoes through most of the first half, but two quick touchdowns gave Hickory a 21 to 7 lead at the half. The Tornadoes came out strong in the last half to wallop the Hornets 41 to 7.

The Hornets' only touchdown came when Larry Parsons recovered a Hickory fumble on the Hornets' forty-five yard line. On the first play, Mike Correll threw a fifty-five yard pass to Skip Downs for the Hornets' only score. Joel Carroll added the extra point.

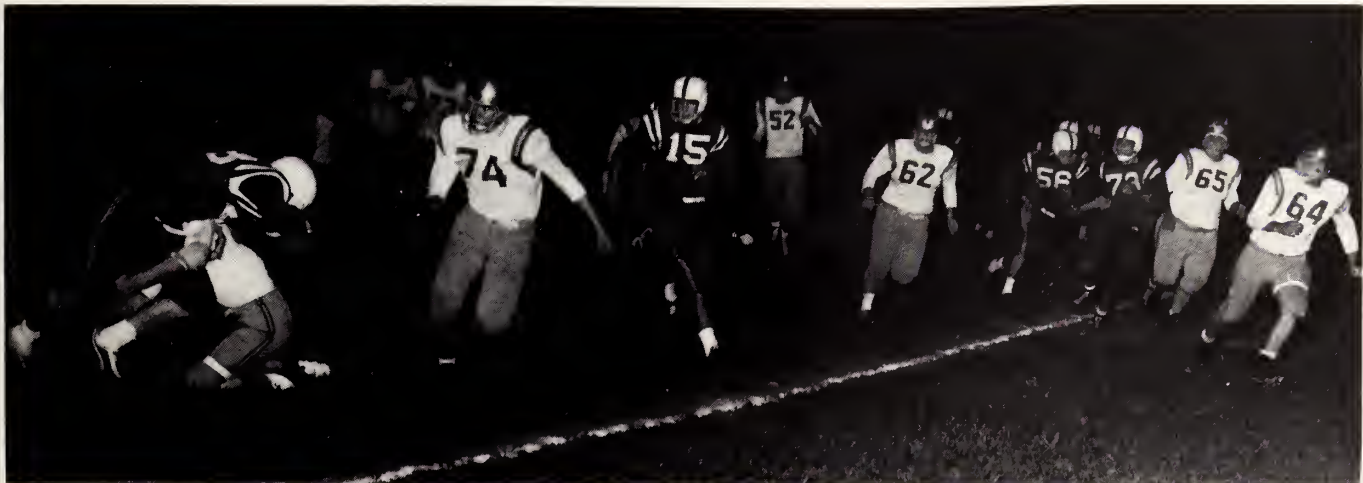

For the Tornadoes, Steve Hudson scored twice; Quarterback Charlie Edwards threw three touchdown passes to Eddie Bivins and one to Frank Baker. Edwards also ran for another TD making the night humiliating for the Hornets.

Hice was tackled by a Newton lineman.

## FIRST WIN OF SEASON

Halfback Bill Smith led the Hornets by scoring four touchdowns as the Hornets defeated Newton-Conover 27 to 14 before the Homecoming crowd. Skippy Downs set up the first Hornet touchdown by running forty yards, and then Smith scored from four yards out. Again, Carroll added the extra point giving the Hornets a 14-0 lead. Near the end of the first half, Smith scored on a twelve yard run making the score 20-0. Later in the game (second half), Smith served again with another touchdown on a run of about ten yards. This made the final score (28-14) in Hudson's favor. This was another Homecoming victory of Hudson.

Hornets prepared for an attack on Newton.

## BEARCATS TOPPED HORNETS

Our arch rival, the Lenoir Bearcats, topped the Hornets by a score of 27-6. After being inside Bearcat territory several times during the first half, they finally crossed the goal line early in the third quarter. This score was compiled by halfback Bill Smith as he plunged across from the one yard line. The point after touchdown was missed by Carroll.

Wilson led the Bearcats of Lenoir High to a 27-6 victory over the Hornets.

## MORGANTON WALLOPED HORNETS

David Riggs, quarterback of the Morganton Wildcats, led his team to a 34 to 8 victory over the Hornets.

Riggs also enabled the Hornets to score as Larry Parsons, Larry Bolick, and Jerry Kirby pinned him in the end zone from the eight yard line for a safety.

The Hornets scored when Skippy Downs scored from the eight yard line. Linebacker Joel Carroll played a magnificent game although in a losing effort.

## HORNETS TOOK GRANITE FALLS

In the second win of the season, the Hornets defeated the Granite Falls' Blue Demons with a score of 19 to 7. James Roper did an excellent job of rush running throughout the ball game, scoring twice. Roper's first touchdown came on a run of twelve yards. Late in the game, Roper made a second touchdown on a five yard plunge. In the first half, guard Danny Tolbert scored after recovering a punt, blocked by Walt Estes. This was a rare score for a player of such a position. Point after touchdown was added by Joel Carroll.

The Blue Demons' only score came in the second quarter on a pass from Larry Terrell to Guilford Poe. An extra point was added by Blue Demon Smith.

Thus, the Hornets' eighth game of the season ended in their second win.

## STRONG TAYLORSVILLE DEFEATED HORNETS

The well-balanced Taylorsville Bears defeated the Hornets 20-13. The Hornets held the ball most of the first quarter and got their first touchdown early in the second period. After three plays had failed, quarterback Mike Correll made a great play when he faked to a halfback and went three yards for the touchdown. The extra point attempt was blocked.

Taylorsville then scored three touchdowns. The first Bear score came when fullback Mickey Moose plunged for two yards. The kick was wide. Bowman then went for two tallies on a forty-two yardsprint and in the second half on a six yard smash.

Bill Smith, not to be outdone by anyone, took the ball and went for fifty-five yards with Joel Carroll adding the extra point.

## HORNETS LOST TO VALDESE

The Hornets couldn't contain the second half playing of the Valdese Tigers as we were defeated 28 to 14.

Halfback Bill Smith scored first for the Hornets. Smith ran off tackle for sixteen yards. Joel Carroll added the extra point. Late in the game, Lynn Hice galloped around end for twenty-five yards and the final touchdown; again, Carroll added the extra point.

Smith fought to get away from a defensive lineman.

The line readied a charge on the Newton-Conover line.

## HORNETS LICKED MARION

In the final game of the season, our Hornets were victorious over the Marion Rippers, beating them 14 to 0.

Mike Correll's passes to Walt Estes tormented the Rippers all afternoon.

Correll, the sophomore quarterback, hit his receivers eight out of nine times. Five of six were to Estes.

The first touchdown came when Correll passed to Estes who ran to the five yard line. At the five, he lateraled to halfback Lynn Hice who went the rest of the way. The play covered twenty-six yards. Minutes later, Correll tossed to Estes again who pitched to Hice for a fifty-four yard play which was stopped on the Rippers twelve yard line. From there, Bill Smith went for six yards and then Hice scored as he slashed off tackle. Joel Carroll added the two extra points.

Late in the game, Carroll almost made a play rarely seen in high school play. Carroll attempted a twenty-two yard field goal. The ball, appearing to be short, hit the crossbar and went through the goal posts. As a roar went up from the stands, a flag went up on the field and the play was nullified because of a holding penalty.

Shortly thereafter the final whistle blew, ending the 1962 football season for the Hornets.

## Junior Varsity

The Junior Varsity this year can boast for their two victories over Lenoir. The team defeated the Lenoir J. V.'s 18 to 6 and 13 to 0. They twice defeated Granite Falls. They lost to Marion and Wilkes Central, and tied with Marion.

Big fullback, Gary Martin, comes through the line as the team charges.

J.V. Coaches Clark and Farlow looked over plays for a coming game.

First row, left to right: R. L. Herman, Jack Bolick, Jim Avett, Charlie Clark, Allen Church, Marshall Penley, Jimmy Clark, Ronnie Hollar, Steve Smith, Bob Powers. Second row: Walter Moore, Leon Aldridge, Junior Fox, Mike Smith, Bill

Oxford, Larry Braswell, Sam Swanson, Charles Aubain, Gerald Storie, Charles Shaver (Manager). Third row: Wade Coffey, Randell Moore, Dale Pope, Freddie Swanson, Howard Miller, Larry Price, David Anderson, Milton Robbins, Gary Martin.

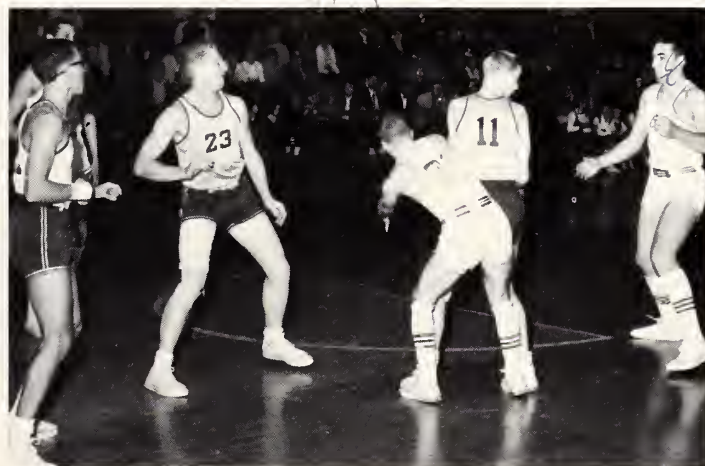

# Basketball Another Successful Year

First row, left to right: Skip Downs, Mike Correll, Tom Haas (Captain), Steve Drum, Richard Story. Second row: Dennis Bradford, Bob Keller, Robert Angley, Jim Shaver, Joel Carroll, Don Martin, and Charles Clark.

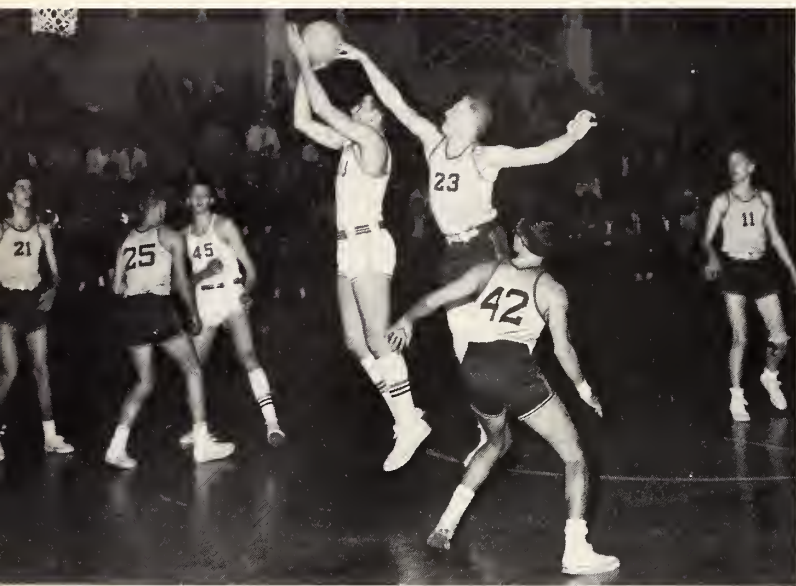

Coach Clark and Managers, Charles Shaver and Dale Chester, go over the shooting chart.

Skip Downs and Tom Haas attempted to tie up a Drexel player.

At the end of seven games the Hudson teams were carrying the colors green and white very high as neither team had lost a game. The boys at this time held first place and the girls were tied for first place in the North Western Conference with Taylorsville. Tom Haas and Bob Keller were leading the Hornets both offensively and in the rebounding department. Haas was one of the leading scorers in the conference having scored 159 points. Linda Beach, Janet Mason, and Shirley Bolick were leading the girls.

Tom Haas went up for his familiar jump shot.

The Hornets opened their home schedule with Drexel. Same as the previous game, the Hornets and Hornettes came out victorious. Haas led the Hornets in the scoring column with 21. The Hornettes were led by Linda Beach with 14 points. Shirley Bolick led the Lady Hornets defensively.

Bobby "Cobb" Keller got ready for a foul shot.

Kneeling: Janet Mason (Co-Captain), Ruby Townsend (Co-Captain); Linda Beach. First row: Vivian Curtis, Claudia Beard, Jennifer Alley, Blanca Lozano, Gail Roberts, Jackie Collins, Lynn LeFevers. Second row: Pam Benfield, Diane Vines, Shirley Bolick, Pat Pitts, and Shirley Hicks.

## Victory!!

Pam Benfield shot from inside.

Linda Beach attempted to out maneuver two Drexel guards.

The Bearcats of Lenoir High were the next victims of the Hornets. The boys won by the score of 35 to 26 and the Hornettes came out on top winning 46 to 26. Haas was held to a small nine points and Joel Carroll led the scoring with 12. Linda Beach had her best night of the season as she hit 26. Janet Mason also scored high with 17.

For the next game, Hudson traveled to Marion to invade the Marion High Rippers. The boys had to come from behind but still came out on top with a 52 to 34 score in their favor. Haas had his best night so far in the season as he hit 34. Beach and Mason led the Hornettes to a 35 to 22 victory over the lady Rippers; each scored 11 points. This was the final game before the Christmas holidays.

The Hornets came back after the Christmas holidays and straightway won their second game from the Granite Falls Demons. Again, Haas was the top Hornet in the scoring column with 23. Mason led the Lady Hornettes with 12.

Haas repeated as high scorer again when the Hornets ventured to Morganton and came back again as a winner. Haas scored 22 points. Bob Keller also hit in the double figures with 12. Mason was tops for the Hornettes with 11.

For the last game before the HORNET went to press Hudson was again the winner of a Northwestern conference double-header as they defeated the Eagles of Wilkes Central. Haas again hit in the thirties with 32; the final score was 47 to 36. Beach and Mason paced the Lady Hornettes to a 51 to 38 victory with 14 and 12 points respectively.

Coach Lucke and manager, Nancy Welch, attended to Ruby Townsend's minor injury.

# Baseball - - Second Place in Conference

On the team were: first row, left to right: Dan Tolbert, Mike Correll, Jerry Witherspoon, Joe Cooke, Lynn Hice, "Skip" Downs, Steve Drum, Dennis Sherrill. Second row: Jim Shaver

(Manager), Robert Angley, Gary Franklin, Jerry Gilbert, Allan Smith, Joel Carroll, Claude Winkler, Doug Craig (Manager), Jerry Metcalf (Manager), Coach Clarke.

## HORNETS FINISH IN TIE FOR SECOND

Our 1962 Hornets had their best season last spring. We missed first place by losing two conference games which gave the Hornets a tie with Newton-Conover for second place.

Teams defeated by the Hornets in conference play were Morganton, Wilkes Central, Taylorsville, Marion, Hickory, and Valdese. The Hornets lost only to Lenoir and Newton giving us an overall record of seven wins and three losses.

Leading the Hornets were All-Conference selections Second Base man, Skippy Downs, and Center-Fielder, Dennis Sherrill. Downs and Sherrill also led the team in batting. Joe Cooke led the team's pitching staff.

Returning lettermen for the '62 season were, left to right: Mike Correll, Dan Tolbert, and Joel Carroll.

# Track - 1962

Bob Harvey lead as the track members crossed the finish line.

Coach Pennell watched as Eddie Agner crossed over the hurdle.

This year the track team was made up mostly of freshmen and sophomores. Although the boys did not score many points, they continued to build for the future.

The squad participated in meets held at Lenoir High, and the North Carolina School for the Deaf at Morganton. Events included were the 100-yard dash, the 220, the 440, the 880, the mile, and the mile relay.

Bob Harvey, pole vaulter, starred for the team.

First row, left to right: Marvin Poarch, Steve Smith, Gerald Storie, Eddie Agner, Steve Coonse, T. S. Childers, Bob Harvey,

Dean Story. Second row: James Fox (Manager), Max Pope, Don Bean, Richard Curtis, Roger Mikeal, Steve Gantt.

# Administration and the Rudiments

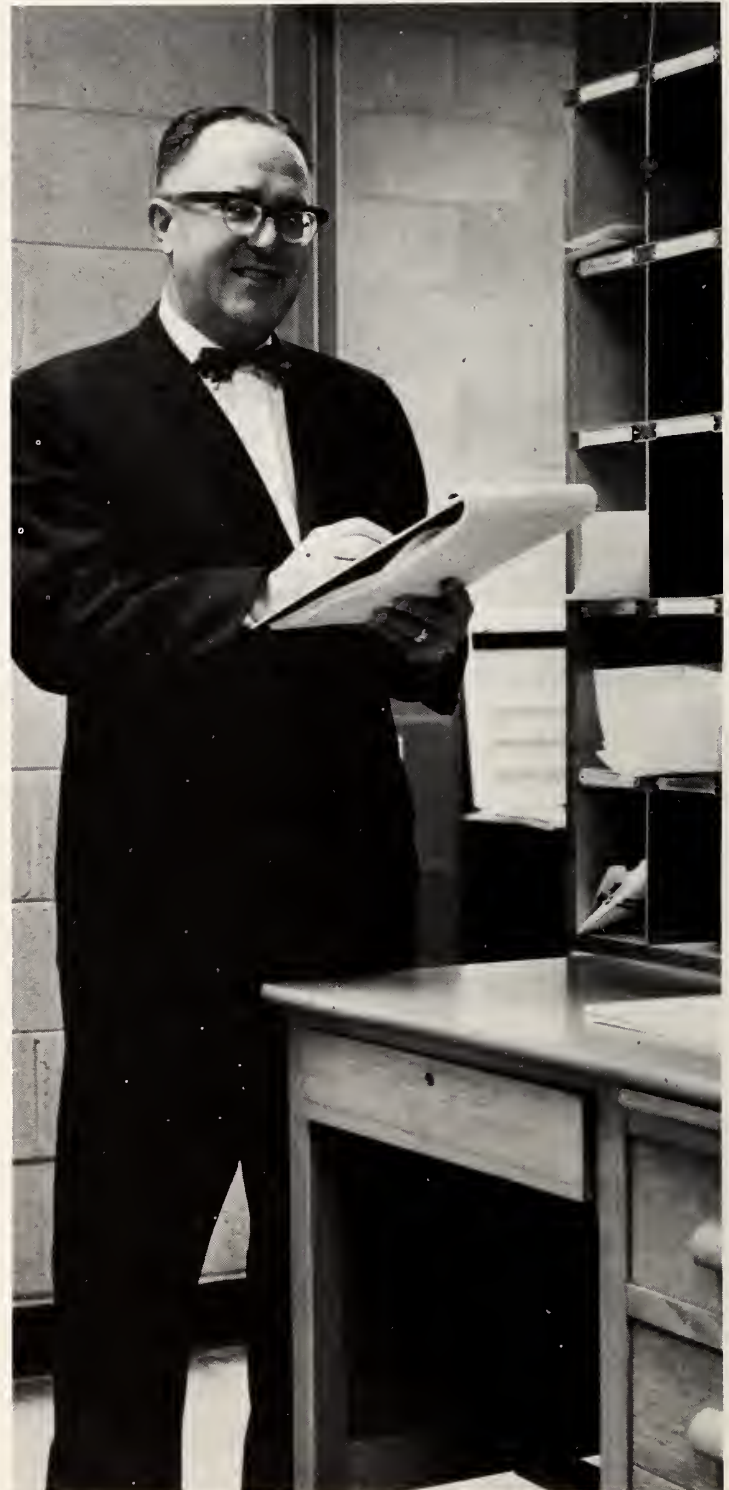

Mr. White who is supervising principal of Hudson School District has been engaged in this worthwhile occupation for five years. Before this time, he was principal of the high school for sixteen years.

Mr. C. H. Lathan, principal since 1956, formerly taught Vocational Agriculture at Hudson for five years.

Through their co-ordinated efforts, these men have strived to help make education the key dynamic of mankind's progress.

Mr. Lathan presided over each assembly program to insure its success.

Mr. White checked the bus drivers' reports each morning.

# Faculty Established of Education.

Another vital portion of the administrative department was the faculty, consisting of 36 teachers. Subjects taught by these teachers ranged from physical education to trigonometry. During the present year, there have been seven additions to our teaching staff. The increase of enrollment over that of the previous year necessitated these additions to the faculty and also the construction of a new wing containing 11 classrooms.

One of Audrey's most important tasks was the filing of essential school documents.

A familiar sight was Mr. Herbert Kieke, Mr. Boyd Wilson, and Mr. J. F. Query, local school board members, as they gathered for one of their regular sessions.

## Observations and Experiments

Martin Bolick, Pheobe Smith, and Carolyn Robbins were among the Sophomores who participated in laboratory work concerning biological processes.

In the curriculum at Hudson High School, four courses in science were offered. These courses led to a better understanding of natural as well as physical phenomenon.

General Science was offered to all freshmen as an introductory course. It covered a wide range of study including astronomy, meteorology, geology, and an introduction to physics and chemistry.

Required in our sophomore year was a course in biology, the study of plant and animal life. We were given an insight into the lives, methods of reproduction, and the relationships of various organisms to each other.

Also taught were two advanced sciences, chemistry and physics. Chemistry dealt with the elements and matter. Physics dealt with energy and its relationship to matter.

These scientific courses covered a wide field of study and tended to broaden our interests in man and his environment. From these courses go potential scientists, science teachers, technicians, doctors, and the thinkers of tomorrow. In the realization of this fact, we were challenged by the tremendous possibilities which came our way.

## were the Fundamentals of Science.

# Mathematics was the Essence of Thought.

Hudson's curriculum had a very broad math program, comparable to any in the state.

The courses ranged from general mathematics to more advanced mathematics such as trigonometry. Courses in Algebra I, II, and III, plane and solid geometry, and mechanical drawing were also taught.

Algebra furnished a basis for all other mathematics. Geometry gave us aid in developing deductive reasoning and also served as a basis for mechanical drawing. Trigonometry gave us a chance to further develop skill in math.

Although only one unit was required for graduation and two for college application, many wished to gain more skill and knowledge in mathematics. The math department offered us the chance to increase our mathematical skills.

Another portion of the math department which has been in existence for only three years was the opportunity to study Algebra I in the eighth grade. This enabled us to participate in the full mathematics program without taking two courses in one year.

Shorthand, typing, and bookkeeping were necessary courses for those of us going into the business world. Such aids as electric typewriters, adding machines, and the dictaphone enabled us to become acquainted with modern office procedures. Also, the ability to think and work rapidly and accurately was of the utmost importance in gaining skill and proficiency in these career subjects.

# Commercial Courses Increased Co-ordination, Control, and Concentration.

Physical Education encompassed physical activities and courses of study connected with the individual's health, safety, and recreation. These physical activities included games, dancing, sports, and conditioning exercises. Its course of study was made up of the study of principles of health governing daily life, methods of first aid and life-saving, and the accepted rules of courtesy and sportsmanship.

Physical Education taught practical procedures easily applied to growth, food, rest, exercise, and recreation. It was a required course for all Freshmen.

Social Studies

Mr. H. Clark found films extremely helpful in the teaching of social studies.

Social relations, geography, past civilizations, and citizenship were a few of the topics covered in American history, sociology and economics, world geography, civics, and world history. These five courses enabled us to acquire enthusiasm for our democratic way of life, develop understanding, skills, and attitudes, learn about other countries, and appreciate the great nation in which we live.

The chief objective of social studies was to develop competent citizens who would strive to improve all facets of government and welfare.

# Homemaking and Agriculture were

Basic agriculture tools were utilized by Buster Calloway and Bill Weaver under the watchful supervision of Mr. Carl Wagner

(M.A., North Carolina State College, Agriculture, Adviser to: F.F.A.).

There are three years of Vocational Agriculture taught at Hudson. Actual farming today employs only eight per cent of the working population, but one person in three is employed in businesses which supply the farmer or process his products. This means that there is a tremendous demand for persons with a broad knowledge of agriculture.

In Vocational Agriculture classes, we learned farming skills and techniques as we studied the production of plants and animals. We increased our knowledge of science and chemistry as we studied soils and fertilization. Biology and genetics

helped us understand plant and animal growth and reproduction. Insects and parasites, and disease causing organisms were studied carefully. Our knowledge of nutrition, digestion, and food preferences will enable us to feed animals properly.

The study of farm mechanics included a wide range of problems. As simple wood-working skills grew, we tried our hand at cabinet making, welding, basic electrical work, plumbing and riveting. The care and repair of tractors and small engines always had a place in the study of agriculture.

# the Framework of Civilization.

Mrs. Hass prepared for a demonstration on the proper placement of the silver service at a formal tea.

Homemaking endeavored to teach us the art of making a happy and comfortable home. It drew upon science, art, social science, psychology, and mathematics for a combined knowledge from many fields to solve home-life problems. It emphasized such practices as food preparation; clothing construction; wise purchasing habits; caring for children; maintenance of good family relationships; budgeting of time, and energy; good citizenship; and the importance of taking an active part in social and civic affairs in our community.

This year for the first time our Homemaking Department had two teachers. With the addition of a new teacher, completely new food and sewing laboratories were added. As a result, 54 more students were able to take this course.

From the conjugation of the verb "to be" to a depth study of Shakespeare's Hamlet, the English department strived to give us the broadest possible language background. Some of the basic aims of the eight English teachers were to prepare us for all phases of writing and speaking, to provide the tools necessary for understanding the great literature of America and England, and to give us the framework of all other subjects.

Since four years of English were required for graduation, we spent many long hours studying both English literature and grammar.

Spanish and Latin were the two foreign languages offered to those of us going on to college. Spanish greatly increased our ability to comprehend the thoughts and actions of Spanish-speaking people, as well as knowledge of the Spanish language itself. Latin proved most helpful to those of us interested in medicine and law.

Gary Craig, Mr. Throneburg, and Raymond Miller examined the handiwork of fellow aeronautics students.

Now in its third successful year, the enrichment program offered to us a choice from about twenty-five courses. In the fall, we registered for the course of our choice and again in January. By taking these general knowledge courses thirty minutes daily, we were able to obtain one-half unit credit during the year.

In addition to the courses offered last year, Personality Development, Math Review, Creative Writing, Publications, Secretarial Skills, Participant Sports, Needle Craft, and Home Decorating were added this year.

Reba Townsend and JoAnn Saunders (pictured), Barbara Holman, Virginia Wilcox, Katherine Helton, Shirley Younce, Ann Taylor, Linda Harris, Pat Bolick, Rebecca McGee, Brenda Carpenter, Linda Carpenter, Dianne Annas, Mary Jo Link, Patricia Winkler, Nancy Spears, and Judy Whisnant aided the teachers in grading papers, averaging grades, and in any other task that the teachers required.

Personal typing class enabled us to obtain experience in typing which we would otherwise have been unable to acquire.

## Enrichment Courses were the

One of the enrichment courses, Personality Development, created poise and an interest in personal appearance.

In Secretarial Skills, students typed to rhythm records to increase speed and control.

Folk-dancing was offered to those students interested in developing agility and learning customs of other nations.

## Augmentation of Knowledge.

# Music is the Universal Language.

Courses in band and chorus composed the music department. These courses offered us a better understanding of music and gave us a chance to develop our musical talents.

Because of its outstanding ability as a marching band, the Hudson High School Band was asked to participate in numerous parades throughout the state. For the fifth year, there were three bands at Hudson; also, each of the schools in the district had its own band. The three bands at Hudson were the Beginning Band, the Cadet Band, and the Senior Band, composed of the high school students who had been members of any one of the smaller bands.

Also becoming known for their ability were the choruses. This year there were two mixed choruses, whereas, last year there was a girls' chorus and one mixed chorus. The choruses were the beginning chorus, composed of those students who had never been in chorus or had no other type of musical training, and the advanced chorus for those who had had chorus or some other musical training.

Melody Kirschner, Pat Story, and Kenneth Craig spent many hours practicing difficult arrangements.

# Service

# Bus Drivers

Gerald Cannon, Gene Marshall, Mickey Story, Paul Robbins, Eric Rainey, Tommy Macchia, Johnny Ford, and Dewey Chester

checked the buses to see that they were in proper operating condition.

Familiar sight at school was Bus Supervisor, Mr. Tester.

# Traffic Control

Since Hudson is a consolidated high school, it would be impossible to operate without our buses. The buses operated from Baton, Hudson, Sawmills, and Whitnel Elementary schools transporting 2200 students to and from school. Many of the drivers had to leave home by 7 o'clock each morning in order to arrive at school by 8:20.

Other students contributing their services to the school were the traffic control boys. At the beginning of the school year, fifteen students were chosen from many volunteers to be members of the Traffic Control. They assisted in directing and parking the numerous cars at all of the home football and basketball games.

Assembled are members of the traffic control. Left to right: Ford Gragg, Mark Harkwick, Harold Estes, Billy Sumpter, Max Green, Steve Clark, Nelson Stallings, Larry Prestwood, and Dwight Pritchard.

Van Johnson, Billy Hartley, Steve Coonse, and Milton Robbins directed cars to parking places during the football and basketball season.

At a bus drivers meeting advice and tips on safety were given to bus drivers Sandra Cloer, Betty Hollar, Kathleen Beane, Jimmy Wilson, Larry Smith, Joe Roberts, Wanda Johnson, James Frizell, Aubrey Beane, and Bob Price.

In one hour and fifteen minutes, an average of 700 students were served daily in our lunchroom. Following the planning of Mrs. Dana Peters, eight industrious ladies of our cafeteria staff were able to accomplish this seemingly overwhelming and impossible task. In addition to their duties at school, they also participated in banquets, dinners, and other special affairs held in the Hudson High Cafeteria.

Another service to our school was the operation of the school store. Many school supplies as well as tasty ice cream treats could be bought by students there. One of our high school students served as storekeeper during the lunch hour. The profits were an asset to the school budget.

At Hudson we pride ourselves in having a clean school and school ground. Keeping our school clean was accomplished by the faithful work of our custodians. Throughout the school year, several clubs also sponsored clean-up programs which made our students aware that their help was necessary to keep "Hudson High beautiful."

Arranging supplies in the school store are custodians Mrs. Hight Austin, and Harvey Dancy, and storekeeper Don Austin.

## These services were indispensable.

Lunch was prepared for many hungry students by Mrs. Dana Peters, supervisor, Mrs. Walter Young, Mrs. Doyle Annas,

Mrs. Everett Austin, Mrs. Dewey Bostian, Mrs. Howard Greene, and Mrs. Charles Lee Ward.

Office practice students, Margie Chester, Janie Moore, Mary Jo Link, Jerry Mathewson, and Thomas Miller carried out the daily tasks of the office.

Mail was distributed daily for the teachers by Linda Helton, Mary Moore, Lorene Austin, Linda Bumgarner, and Danny Justice.

Office practice was necessary to carry out the work of our school office. Among our many duties were typing for the principals and teachers, operating the mimeographing machine, collecting reports, delivering announcements, sorting and placing stacks of daily mail in the teachers' boxes.

Senior girls and boys interested in business and office work were eager to enroll in this course. Each student received one-half unit of credit and much valuable experience.

Preparing the morning report were Tressie Hall, Bobbie Hicks, Dorothy Fox, and Kathleen Beane.

As the years pass we may find that our recollection of our school, our friends, and our fun may dim and fade as new acquaintances and activities take their place.

The passing of time will change many things. To many, it will bring love; to many happiness; to many success; and to us all a little heartbreak. Perhaps we will find that we have set our goal a little too high, and find that our ambition was a trifle weak.

In this 1963 HORNET, we have given to you a part of school life that can never be forgotten. By using the words of your Alma Mater, we hope to keep vividly a treasure of "old times." In the pictures, you will find the faces of old friends; in the words and phrases, you will be taken back to the days of extreme and impetuous youth; to the days when life was full and yielded much; to the days of great and beautiful dreams.

*. . . And when school days are over,  
We'll praise thee Hudson High.*
